## FUNBOAT

### Sailing is for everyone.

If you can ride a bike you can sail a Funboat. It couldn't be easier! With the Funboat, sailing is for everyone who wants to have fun on the water. It's truly leisure sailing at it's best. For many people, the Funboat is their first exposure to sailing, often when they are on vacation at resorts worldwide. It's durable, stable, easy to rig and easy to sail. No centerboard means no hassle when pushing off or when returning to the beach. Simply jump on, hoist the sail, and you're off! Enjoy!

The hull of the Funboat is yellow which helps in reducing surface glare and is roto molded plastic that is exceptionally strong. The sail is a funky color matching Pink and Yellow.
